**DEFENDANT’S WITHDRAWAL OF MOTION FOR COMPASSIONATE RELEASE**

The defendant hereby withdraws his EMERGENCY MOTION FOR COMPASSIONATE RELEASE UNDER 18 U.S.C. § 3582(c)(1)(A) (Doc. 731). The defendant was attempting to find housing acceptable to probation to allow early release from custody, but learned that ICE had lodged an immigration detainer with his current institution. As a result, if Mr. Grandon were granted compassionate release he would be released to the detainer rather than to housing.

Respectfully submitted,  
By his attorneys,
